

Magnetic Calendars & Memoboards

You can recycle your calendar by removing the spot magnets after use

Calendar and Memoboard dieline sizes are interchangeable. Please specify whether you are providing calendar or memoboard artwork along with the dieline for size.

A great, economical and efficient way to showcase your business while offering a calendar or memoboard. Both products are great to keep notes organized and help keep your brand message at eye level!

- All calendars and memoboards are UV coated with 4CP digital print
- All magnetic calendars and memoboards come as 12pt board with spot magnets on back
- Pantone colors will be converted to CMYK equivalent
- Exact color match is not available on this item

- We require 0.25" inside blank border
- Can be fully customized
- Contact us for quotes for full magnetic back
- Dry Erase Markers are not included (sold separately)

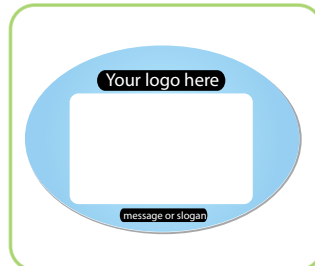

3 Quick Easy Steps:

1. Pick a size. ✓
2. Tell us whether it is a calendar or a memoboard. ✓
3. Send us the artwork. ✓
